University Internship - Infocom Technology (2024)

Job no: 493478

Work type: Internship

Categories: Internship

We encourage applicants from a wide range of academic backgrounds as internship opportunities are available in Accounting and Finance, Corporate Communications, Engineering, Human Resources, Infocomm Technology and Operations. An internship with PSA is an excellent opportunity for you to learn about us and for us to know more about you. As a PSA intern, you'll enjoy rewarding and challenging work whilst working along the best professionals in the industry. You will take on meaningful responsibilities where you can apply classroom learning to real world situations and gain valuable work experience even before graduation! Many have chosen to establish their careers in PSA after their internships with us.

With dedicated guidance and mentoring throughout the internship, you will have an enriching learning experience and a chance to gain better understanding of the business operations at PSA.

If you are keen to have a preview into a career with a world class company, apply for our internship programmes through your career centre.
